Closing

Mrs. Lydia Saffery, Mr. Dennis Rabanal, Senior Class Advisors

Recessional

Class of 2023

Ray Pikelny-Cook
Principal

Principal's Message

We are thrilled to see so many graduates, more than 350, walk across the stage tonight to celebrate the completion of their high school career. We wish all of our graduates the very best as they go on to the workforce, military, or college. We are confident that you will do well, and look forward to your return, when you can share the stories of your success with your Searider family. My challenge to our graduates is very simple: make decisions and build habits that will lead to your future success. High school is but a short period of time during your life's journey. Moving forward, everyday will bring new opportunities for you to improve, and new challenges for you to overcome. You'll have the opportunity to establish friendships that will be with you for life – so choose your friends wisely. You have an amazing opportunity in front of you, where the good decisions you make will help direct your life towards future successes.

Remember that you don't leave values and people behind after you graduate... you live in your values and know that your school community will be supporting you from afar wherever you go and with whatever you aspire to be. Dream big, work hard, and never forget...
Once a Searider, Always a Searider! #Waianaestrong

Rei Vasquez,
Student Union President

President's Message

Class of 2023 is a special class. Being responsible for the revival of many of our programs and school activities after being given the lower hand of things. Our year was the first to entirely come off of full distance-learning and Covid and be given the opportunity to have a blank canvas— and that canvas we've painted beautifully. I've had the opportunity to grow up alongside so many of you and watch you all mature from the kids you were to the now new adults you're leaving this place as. To my fellow class of 2023 I thank you for allowing me to represent this class for so long up until the very end, I thank you for contributing to a great and eventful year, and I thank you for becoming the people you are now and leaving as. Congratulations for coming so far from where we started and for making it to this very day. I am so proud of each and every single one of you!

We all grew up hearing that high school was to prepare you for the real world... For college... For a job... and For life. But coming from someone who is graduating alongside you all, I can say I am not merely prepared. They say high school teaches you about life... But life teaches you about life. The only way we can learn is if we keep going, there is always a choice; choose to keep learning.

The class of 2023 prevailed, passed a pandemic, rose from the once silent campuses, and filled the empty hearts of every Searider. We were given the opportunity to bring back our school spirit to life, in which we triumphed. I thank all of you for allowing me to represent you all in this last chapter of high school and I thank you all for your countless days of effort and energy to make it this far, truly I am honored to walk the same path as all of you on that stage. Today, we stand on this field ready for the moment we've worked 13 years for. No matter where life takes us, know that we are all connected, that you are not alone, yes by class, but by Searider.

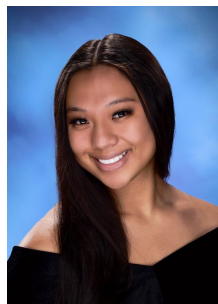

Once a searider, always a searider.

Jacob Cabansag,
Senior Class President

Class of 2023

Class Song

Hall of Fame

by : The Script

You could be the greatest,
you can be the best
You can be the King Kong
banging on your chest
You could beat the world,
you could beat the war
You could talk to God,
go banging on his door
You can throw your hands up,
you can beat the clock
You can move a mountain,
you can break rocks
You could be a master,
don't wait for luck
Dedicate yourself
and you gon' find yourself
Standing in the hall of fame
And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the hall of fame
You can go the distance,
you can run the mile
You can walk straight through hell with a smile
You could be a hero,
you could get the gold
Breaking all the records they thought never could be broke
do it for your people,
do it for your pride
How you ever gonna know if you never even try?
Do it for your country,
do it for your name
'Cause there's gonna be a day when you're
Standing in the hall of fame
And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the hall of fame

Be a champion
Be a champion
Be a champion
Be a champion
Be students,
be teachers
Be politicians,
be preachers
Be believers,
be leaders
Be astronauts,
be champions,
be truth-seekers
Be students,
be teachers
Be politicians,
be preachers
Be believers,
be leaders
Be astronauts,
be champions
Standing in the hall of fame
And the world's gonna know your name
'Cause you burn with the brightest flame,
And the world's gonna know your name,
And you'll be on the walls of the hall of fame
You could be the greatest,
you can be the best
You can be the King Kong
banging on your chest
You could beat the world,
you could beat the war
You could talk to God,
go banging on his door
You can throw your hands up,
you can beat the clock
You can move a mountain,
you can break rocks
You could be a master,
don't wait for luck
Dedicate yourself
and you gon' find yourself
Standing in the hall of fame

Board of Education Academic Honors

Summa Cum Laude

Of the Highest Distinction.

These students have attained a Cumulative GPA of 3.8 or above. All valedictorians receive Summa Cum Laude distinction as they have GPAs of 4.0 or above.

Magna Cum Laude

Of Great Distinction.

These students have earned GPAs of 3.5 to 3.8.

Cum Laude

With distinction.

These students have earned GPAs of 3.0 to 3.5

Board of Education Honors Certificates (The following was met with a cumulative GPA of 3.0 or higher)

+ Academic Honors

These students earned 4 math, 4 science, and 2 college credits

^ STEM Honors

Science-Technology-Engineering-Math
 These students earned 4 Math, 4 Science credits and completed a STEM Capstone project.

Career Technical Education Honors

These students completed 2-3 courses in a sequence of study and passed a final exam or earned a certificate in that area.

* Seal of Biliteracy

Students who have demonstrated a high proficiency in our state's 2 official languages ('Ōlelo Hawai'i and English) or in either of our state's 2 official languages and at least 1 additional language.

Star Spangled Banner

O say can you see, by the dawn's early light, What so proudly we
hail'd at the twilight's last gleaming, Whose broad stripes and bright
stars through the perilous fight O'er the ramparts we watch'd were
so gallantly streaming? And the rocket's red glare, the bomb
bursting in air, Gave proof through the night that our flag was still
there, O say does that star-spangled banner yet wave O'er the land
of the free and the home of the brave.

Alma Mater

Hail to thee, O Wai'anae
Set against the radiant sky.
From the beaches still and cool
Come the breezes towards our school.
From the mountain to the ocean
We all stand with firm devotion.
Wai'anae Alma Mater
Wai'anae Alma Mater

Forward then, O Wai'anae
With your colors waving high.
Led by both the red and blue
We will always fight for you.
Let our hearts be filled with spirit
Love of wisdom, pride and honor.

Wai'anae High School Alumni & Community Foundation

To all of the many volunteers over the years from Lokahi A Lanikila 'O Wai'anae and Wai'anae High School Alumni & Community Foundation.

You have shown your passion for our students and their success, through your tireless efforts from planning, to coordinating, setting-up, ushering and everything in between. It is the enormous commitment you make every year that fills our graduation ceremony with Searider Pride.

Thank You!

Wai'anae High School Class of 2023
